ERD Detailed Documentation

#Question

Farmers list produce with quantity, expected price, and harvest date. Buyers bid or purchase directly. Quality inspectors mark each lot (grade A, B, C). Logistics partners are assigned deliveries. Weather warnings delay shipments. Disputes are raised for quality mismatch or late delivery.

Entities (Rectangles):

1. **Farmer List**
 2. **Buyers**
 3. **Crops**
 4. **Logistics Partners**
 5. **Quality Inspector**
-
